THANK YOU to Our Generous Supporters

Camp Mak-A-Dream's mission and programs are made possible by the generous support of time and resources from thousands of individuals, businesses and funding entities across the country. We'd like to point out a few significant funding sources from right here in Montana.

10 Years of RATPOD

Not in our wildest dreams could we have predicted that the idea of a bike ride in the Dillon, Montana, area would turn into not only one of the most coveted events in the region, but also our single largest source of funding each year. But that's exactly what RATPOD has become — and we couldn't be happier! The funny-sounding name stands for Ride Around The Pioneers in One Day and that's what it is: a one-day 130-mile cycling tour in the Big Hole Valley of Southwest Montana.

The ride was the brainchild of Missoula physicians Phil Gardner and Eric Kress, joined by physical therapist John Fiore. After pitching the idea in 2000 and joining forces with Camp Mak-A-Dream, RATPOD was born and the first ride took place in June 2002 with 112 riders. The event grossed just over \$35,000 and a good time was had by all.

Now 10 years later, RATPOD has grossed more than \$1.7 million for Camp and now fills up to its rider cap (which this year is 650) in record time ... under 20 minutes last year!

There is a dedicated group of volunteers who contribute their time, talents and cycling expertise to making RATPOD the incredible event it's become. We want to express our most sincere appreciation for all they do for Camp.

Help Someone Get to Camp by Donating Frequent Flyer Miles

If you have 25,000 or more unused frequent flyer miles, we'd love to talk to you!

Camp Mak-A-Dream can utilize miles in blocks of 25,000 or more on various airlines including Delta, United and Horizon/Alaska Air. We are also happy to accept any transferable discount coupons, codes or other special offer vouchers.

Donated miles help us:

- ★ Get campers to Camp from all across the country
- ★ Allow staff to travel to promote Camp and raise funds
- ★ Bring in professional presenters & speakers for our programs

Your gift of 25,000 miles (or more) means a child or young adult who may not otherwise be able to attend Camp ... can!

*If you're interested in donating miles, please contact **Shirley Hummer** in the Camp Mak-A-Dream office at (406) 549-5987 or shirley@campdream.org.*

Alice Lee Lund Resource Center

We're excited to announce the latest addition at the Camp facility — the Alice Lee Lund Resource Center made possible by a generous gift from the Alice Lee Lund Trust.

Alice's experience as a school teacher helped nurture her passion for the health and education of children. As an advocate of reading and learning, Alice would be proud of the legacy she has left. Alice Lee Lund's life was taken by pancreatic cancer on St. Patrick's Day of 2001 but her passion lives on in this new space full of computers and other resource materials.

A variety of new workshops will be offered this year thanks to the equipment now available to us in our new resource room. Participants will be assisted in navigating through the overwhelming amount of information on the Web to find resources that address their individual needs, giving them specific information and tools to take with them beyond the camp experience. Participants, working closely with professionals from the area, also can use resource center tools to develop new or to advance their current skills in photography and film.

Staff Anniversaries and Position Changes

Congratulations ...

Jennifer Benton Celebrating 15 years with Camp

Jennifer Benton began as a volunteer with Camp Mak-A-Dream back in 1995 and joined the full-time staff in 1996. She is currently the director of Marketing & Special Events and also serves on the Board of Directors for the Ovarian Cancer Survivors Foundation (based in Helena, Mont.), the American Cancer Society's Missoula Advisory Council and volunteers with other nonprofit organizations in the Missoula area.

Jennifer grew up in the Twin Cities of Minnesota and graduated from Hamline University in St. Paul where she met her husband, Sean. In 1995, they moved to Missoula where they enjoy fishing, hiking, skiing and camping with their two yellow labs, and traveling the globe.

Jesse Mahugh New Development Associate

Jesse is a brain tumor survivor and was a participant at Camp before volunteering as a mentor at the second Heads Up Conference for young adult brain tumor survivors. He spent the last year as Camp's administrative assistant and at the beginning of this year, moved into a new role as development associate.

Jesse is excited about helping others have the same life-changing experience he had as a participant at Camp Mak-A-Dream. Jesse received his Master in Public Administration degree from The University of Montana last year and hones his elusive public speaking skills as a member of the Treasure State Toastmasters Club. Jesse volunteers as a big brother with Big Brothers Big Sisters of Missoula and enjoys spending time with his new puppy, Gus.

Staff Addition

Shelley Cooper joined us in January as Administrative Assistant. Previously she worked for Community Medical Center for nine years in the Pediatric Specialty Clinics as clinic coordinator. She grew up (for the most part) in Montana then attended college in East Texas with her focus in Business Management. She returned to Montana to raise her children. Shelley has also volunteered with Big Brothers Big Sisters of Missoula, Missoula 3:16 and is passionate about helping others. She spends as much time as possible with her family and looks forward to being involved in fulfilling Camp Mak-A-Dream's mission.

Burt Kinyon Estate Gift

Last year, Camp Mak-A-Dream was one of three regional charities to each receive more than \$600,000 from the Estate of Burt and Etta Kinyon. Burt Kinyon was born in 1923 in Stillwater County, and his family moved to Bozeman in 1930. He went into the Air Force as an aircraft engine mechanic and was stationed in England during World War II. Burt moved to Butte in 1947 and two years later married Etta Singular, who worked the checkout at Buttrey's grocery. He worked at Wellman Motors and later as a mechanic for Butte-Silver Bow, before retiring in 1985. The couple was married for 49 years, until Etta's death in 1998. Burt Kinyon died March 6, 2010, at age 83. The couple worked hard, lived a frugal life and invested well. Family and long-time friends of the Kinyons who presented the check at Camp Mak-A-Dream last October said the couple were quiet people who liked the outdoors. Burt especially enjoyed wildlife photography. The Kinyons also loved children, but never had any of their own and wanted to leave their money to organizations benefiting children.

Seeking... Office Volunteers

Camp Mak-A-Dream would like to build a list of volunteers interested in helping out with a variety of projects in the Missoula office, on an as-needed basis. Projects may include: stuffing envelopes, working on bulk mailings, filing, general computer work/data entry, special event preparations and more. If this sounds interesting, please contact Shelley Cooper, administrative assistant, at (406) 549-5987 or e-mail us: shelley@campdream.org.

President's Message

Dear Friends of Camp Mak-A-Dream:

Cancer is irrational. It will never show understanding, concern or sympathy for age, gender, education, race, money, religion, science, or friends and family. And even with all the medicines, treatments and therapies that cancer can challenge, it will never figure out how to lessen the experiences or dampen the hopes and the dreams created at Camp Mak-A-Dream.

Those affected by cancer face a number of challenges — be it living from treatment to treatment and exam to exam, the feeling of isolation or lack of social interaction, the inability to physically do the things one used to do and wishes to do again, or living with the fear of recurrence. It all adds up to living in sort of a "Medical Standard Time" that can make daily life a blur. In this time zone, it may feel like cancer controls the clock and it will do everything it can to steal your hopes and your dreams. However, at Camp Mak-A-Dream, we know that if we can change the time zone, we can perhaps have an impact on changing someone's outlook as well.

On 87 acres near Gold Creek, Montana, we allow those affected by cancer a week of normalcy, by allowing them to take their life back by removing them from Medical Standard Time. Once on "Montana Time," cancer does not stand a chance as our participants gain independence and confidence from discussions with their peers, attending educational workshops, hiking, swimming, fishing, rafting and most importantly, connecting with others who have faced similar challenges. Out of these Montana experiences our participants conquer cancer by regaining their time, their hopes and their dreams. For 16 years we have watched how one week of Montana Time can heal what traditional cancer treatments and hospital stays cannot.

On behalf of everyone at Camp Mak-A-Dream, thank you to all of our supporters for sharing your talents and resources so that we may extend time, grow hope and continue to dream big. With your continued support, we promise to continue to beat cancer one week at a time.

Dream Big,

William E. McCarthy
Board President

New and Evolving Programs at Camp

Caregivers Conference

In November, Camp Mak-A-Dream will host 10 young adult cancer survivors and their primary caregivers in our first Caregivers Conference. The goal of this conference is to provide support and resources designed to meet the specific needs and challenges facing caregivers and the young adults in their care. For this pilot program, we look forward to bringing together a diverse and complementary group facing similar challenges within the caregiving community. Within the supportive environment of Camp Mak-A-Dream and with professional guidance, the group will share experiences and resources, develop skills and ultimately work toward the common goal of fostering better communication and understanding within their relationships. For more information on this program, please contact Beth Jones at beth@campdream.org.

Young Adult Survivors Conference

The Young Adult Survivors Conference is an educational conference for individuals wanting to work as a group toward improving the quality of life for cancer survivors and their families. Attendees at the winter 2012 conference will work closely with professionals on creating tools and providing resources for cancer survivors transitioning through and beyond the cancer experience. Applications and additional information will be available this fall.

Founder's Profile

The life of Sylvia Granader
By Jennifer Benton

Sylvia would never make a big deal over the amazing things she's done, experienced or accomplished in her now 90 years on this planet. But those of us at Camp who adore and admire her would like to share a few of them with our supporters who help keep the dream of Sylvia's late husband, Harry, our founder, alive and thriving here at Camp Mak-A-Dream.

Although the majority of the year Sylvia spends her time in her home state of Michigan, she still journeys to Gold Creek, Montana, every summer to spend time visiting with and teaching the art of weaving to the many campers from across the country who attend Camp each season.

Camp has come a long way since opening in 1995 and since that time has welcomed more than 5,000 participants from 49 states and six different countries.

Sylvia studied the fine arts at Cranbrook Academy, where she earned a Master of Fine Art degree with her focus on weaving — and she still puts that knowledge and passion to use in the Camp art barn each summer.

A true reflection of her outgoing nature and ability to do almost anything, Sylvia joined the U.S. military during World War II as a WASP pilot who transported aircraft from one location to another, freeing up male counterparts to serve in the war efforts in Europe.

With long-overdue recognition, Sylvia and her fellow WASPs were presented with the Congressional Gold Medal at the Capitol in Washington, D.C., last March. Then on Veterans Day 2010 at the Missoula Military Museum at Fort Missoula, these women were honored with a new display about the WASPs and their service to our country. Sylvia is featured front and center in this display, so if you're ever in the Missoula area, we encourage you to stop by and see it.

After her military service, Sylvia married the love of her life, Harry Granader, raised a family and became involved in the family business of being McDonald's franchise owners.

While Sylvia has many things to be proud of, I think she would say that one of the proudest was the arrival last spring of her first great-grandchild, Harry. That same year Sylvia celebrated her 90th birthday.

On behalf of all of us at Camp Mak-A-Dream, we want to thank Sylvia for her continued love for this special place and for carrying on Harry's dream.

HOW YOU CAN HELP

Sponsor a Camper with a Campership

Sponsor a participant for a cost-free week of camp with a \$500 "Campership" donation. Please see form on the back cover of this newsletter for more information.

Make a Memorial or Honorarium Donation

Make a donation in memory of a friend or loved one, or in honor of a holiday or special occasion. Camp Mak-A-Dream will send a keepsake card to the family or honoree. See donation form on back cover of this newsletter.

Make a Pledge or Planned Gift

Pledge an amount to be paid over a period of time (monthly, quarterly, annually).

You can also leave Camp Mak-A-Dream as a beneficiary of your life insurance or in your will. Camp Mak-A-Dream is a proud participant in Legacy Montana, an educational effort designed to raise public awareness about the importance and ease of leaving a gift to a nonprofit organization (www.legacymontana.org). For more information, please contact us (406) 549-5987.

Join Our Monthly Giving Club

No one person changes the world alone, but when a group of inspired individuals band together for a common purpose, a world of change can happen. The Hope & Courage Monthly Giving Club gives you and your fellow club members the opportunity to each make a small gift every month, which in turn makes a big difference in the experience of individuals facing cancer at Camp Mak-A-Dream. To join in this effort, please call (406) 549-5987 or visit: www.campdream.org.

Give an Item from Our Wish List

There are lots of everyday items and goods we need each camp season. You can help a lot by donating an item from our Wish List found on page 8.

Display Our Literature

You can help us get the word out to possible campers, volunteers and donors by displaying Camp Mak-A-Dream information at your place of business or professional office. Please call (406) 549-5987 for details.

Have Us Speak at Your Civic Organization or Business Meeting

We love to share what's happening at Camp Mak-A-Dream with members of different communities. If you're a member of a civic organization or would like to hear about Camp at your next business meeting, please contact Jennifer Benton at (406) 549-5987 or e-mail: jennifer@campdream.org to arrange a speaking engagement.

Volunteer

There are many ways to get involved as a volunteer with Camp. Spend the most incredible week imaginable by volunteering as a cabin counselor or in the kitchen during one of our camp sessions. More information and applications are available by calling our office at (406) 549-5987 or visiting our website at: www.campdream.org. We'd also love to talk with you if you're interested in volunteering in our foundation office in Missoula or at a fundraising event.

★ **Presenters** are individuals or groups with a special skill or service they would like to offer our participants. Presenters generally come to camp for a day and offer educational or activity-based services ranging from digital photography to art therapy. If you would like more information on being a presenter, contact Beth Jones at beth@campdream.org or call the foundation office.

★ **Medical Professionals** staff each camp session. We select a group of doctors and nurses to review camper medical files, administer medications and handle medical emergencies 24-hours a day. If you would like more information about being a medical staff volunteer, please call the foundation office.

Rent Our Facility

You can rent the beautiful Camp Mak-A-Dream facility, late August through mid-May, for your next gathering or meeting. Please see page 6 for more information, or visit our website at: www.campdream.org.

Donate Frequent Flyer Miles

Help us fly a child or young adult with cancer to Camp. Or bring in professional program speakers to conduct workshops. Or help our staff to travel spreading the word about Camp Mak-A-Dream. Your donated frequent flyer miles makes these all happen. Your gift can help make attending Camp possible for someone who might not otherwise be able to get here. More information is available on page 2.

Host a Dream Tour

Are you a proud supporter of Camp Mak-A-Dream? Would you like to have the opportunity to let others know about the great work going on in Gold Creek, Montana? Consider hosting a Dream Tour: a virtual tour of Camp Mak-A-Dream that can take place in someone's home, a community center or anywhere with a DVD player. It can take place as an informal dinner party, a lunch, a cocktail hour, a dessert social, or other creative get-together. If you would like to learn more or are willing to host such an event, please contact Jennifer Benton at (406) 549-5987.

Donate Unused Ad Space

If your business has a regular ad space in a newspaper or magazine that you're not always using, donate that space for Camp Mak-A-Dream to run an ad instead. Please contact Jennifer Benton, director of marketing & special events, at (406) 549-5987 or by e-mail: jennifer@campdream.org if you have space you'd like to donate.

Corporate Matching Gifts

Many companies have a matching gift program that can match all or a portion of employees' donations to charitable organizations. Next time you make a donation to Camp Mak-A-Dream, ask your employer if your company offers a matching gift program, and if so, how you can obtain a form to make your donation go even further.

Executive Director's Report

Dear Friends,

Camp Mak-A-Dream marked its 15th anniversary in 2010, and with it, we continued our tradition of adding cutting-edge programs for cancer patients. The inaugural Teen Heads Up Conference hosted 13- to 18-year-olds with brain tumors, mentored by young adult brain tumor survivors. During our blend of education and recreation, we hosted workshops on relationship building and overcoming physical and cognitive challenges. In addition, we partnered with Missoula nonprofits serving the homeless, at-risk children and the elderly, giving our campers the opportunity to understand and give to individuals with real yet different day-to-day challenges than the ones they face every day.

This coming year we will, for the first time in Camp Mak-A-Dream's history, introduce the opportunity for a cancer patient to share his or her experience with a loved one. In November, we will host approximately 10 young adults with their primary caregiver and provide our unique mix of fun and learning. It will provide the young adult the opportunity to form lifelong connections with other cancer patients, and at the same time allow caregivers the opportunity to share stories and challenges and to connect in a meaningful way that only a community experience allows. We are excited to pilot this program, as well as a revamped Young Adult Survivor Conference in January 2012 that will focus on practical and tangible skills of transition through the cancer continuum.

Our innovative community programs would not be possible without our supporters. Whether you are able to donate time, donate goods from our wish list, donate money, or just share the word about the magic that happens in Gold Creek, you are what has made a life-changing experience possible for more than 5,000 individuals affected by cancer. We thank you for all you've done and look forward to keeping you an important part of our family.

We hope your summer is as wonderful as we know ours will be,

Stuart Kaplan, M.D.

Special Events – 2011

Hold Your Next Event at Camp Mak-A-Dream

Camp Mak-A-Dream may be the perfect place to hold your next group function. Our fully accessible facility sits on 87 beautiful acres in Gold Creek, Montana, and is available to outside groups for rental in the off-season, late August through May.

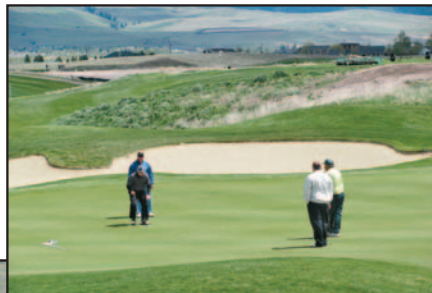

The main lodge is ideal for large group meetings or activities, seats 120 people comfortably for meals, and is available for day use or for multi-day events. For overnight stays, we have five lovely cabins, which accommodate 12-24 people each, as well as additional housing and meeting rooms in our health center building.

Over the years, we've hosted a variety of groups including state agencies, other nonprofit organizations, businesses, quilting groups, church groups and private families. If your group would like to use our facility for your next function, visit our website for photos and pricing information: www.campdream.org. Or contact Shirley Hummer with questions: (406) 549-5987, e-mail: Shirley@campdream.org.
