

2023 Camp Store Merchandise

Hello Camper families! We have a Camp Store on campus that contains a variety of items such as clothing, hats, water bottles, etc.

To create a store tab, you can either send cash (or prepaid debit card) with your camper to MT, or you can privately share your credit card information with Jen during her routine pre-camp phone call. If you are interested in preordering anything from our Camp Store, please let Jen know and our staff will give the items to your camper.

Our Camp Store uses 'Square' to process sales and securely store customer information. Receipts from each transaction will be emailed to you from Children's Oncology Camp Foundation.

**Please note: We cannot guarantee that we will have all sizes available for each item. We do our best to maintain a variety of options, but popular designs tend to sell out quickly!*
