

CAMP MAK-A-DREAM

Camp Mak-A-Dream Goes Virtual in 2020!

"Thanks for shining some light in our COVID summer!" -Parent of virtual camper

Most of you know by now that due to concerns related to COVID-19 we made the difficult decision to shift to a virtual season in 2020. We want to thank everyone for your continued support through these very challenging times. We look forward to the day when we can once again be together in Gold Creek...but for now, we want to share just a few of the highlights from the 2020 season!

- We offered 12 virtual camps...hosting up to 70 participants per session.
- A total of 388 participants joined us during the 2020 virtual season.
- 97 new participants joined us virtually...thanks for taking the leap, we can't wait to meet you in person.
- Campers zoomed in from 37 states and Canada...no travel required!
- We piloted a new program for adult cancer survivors and their primary caregiver.
 - 24 individuals (12 survivors and their primary caregivers) joined us for this new endeavor!
- We extended online programming to include virtual fireside chats for our adult retreat participants starting in October.
- We continue to explore new virtual programming opportunities to help keep our community connected throughout the year!

Most importantly, virtual camp gave us an opportunity to stay connected and bring some new people into the community. We also had a whole lot of fun! Here are just a few of the virtual activities from 2020...thanks to all that participated...we LOVED spending time with you!

If you didn't get a chance to virtually 'hike the butte', do some golf cart karaoke or experience some of Chef Joe's cooking, check out our [YouTube channel](#) for some fun videos from 2020.

Thanks for an unforgettable virtual season...we look forward to seeing you in 2021!
